## key features

**Quilting-** 100% polyester knit stretch fabric + foam + convoluted foam for resilience and lasting comfort.

**3 zone support-** 25% foam, 50% gel memory foam, 25% foam. Provides additional comfort for sleepers who require a firm support for the spinal section of their body. The torso section of the mattress will be slightly firmer than the head and feet sections in order to accommodate different pressure needs of a body.

**Gel visco-** is natural latex infused with cooling gel substance that will offer better heat dissipation & breathability.

**Isolated pad-** blocks out any noise generated from the metal springs rubbing against each other.

**Pocket springs-** individually wrapped springs which offer individual support & significantly minimise the disturbance from a partner.

**Encased edge support-** gives extended sleep surface and a firmer seating edge using higher density foam.
